Tarot Card Readings

by Erikk Dalu

People throughout the ages have sought guidance from sources beyond their everyday experience. Whether consulting the stars in the heavens, the lines in the palm of a hand, or the shapes in a crystal ball; interpretations always must be made by a gifted spirit....Erikk reads Tarot.

30 Years Experience

As a student of Dr. Stephen Holler, author of the "Royal Road To The Tarot", Erikk synthesized his work into a system created for today's needs. His Tarot readings for private parties, corporate events, and special promotions are always popular! Erikk emphasizes the positive aspects of current situations and indicates to the listener the ways in which they control their own destiny.

Private Readings

Corporate Parties

Hospitality Suites

Whether strolling around the room, or seated in an intimate setting; Erikk achieves maximum involvement with the greatest number of participants in the time allotted. With his time-tested method involving three cards and using the Major Arcana exclusively, Erikk easily summarizes the secret of the cards. His method has been heralded by his associates as a breakthrough in contemporary technique.

Master Of The Major Arcana - Triad Spread

The Tarot offers a pictorial key to understanding the basic situations of everyone's life. Guests are sure to be fascinated and entertained by these readings. As Erikk observes: "Most people don't really want to know their future, but they would like a clue to the present!"
