At last, a magic show especially for younger children to enjoy with their families. This richly entertaining piece of children's theater blends the skills of puppetry, magic and clowning into a delightful show the whole family will enjoy. The story tells how Rainbo, a miniature puppet clown, uses his great magical powers to make a rainbow. There are magic tricks galore specially selected to appeal to younger audiences. Magic keys get lost, pictures magically fill with color and rabbits fly invisibly through the air. There is laughter and mystery for all ages.

The production uses custom magic tricks and an original music and voice track to maintain the high energy level that today's children's audiences enjoy. The Rainbo Magic Show can transform any area into a special family entertainment area.
