Holiday Entertainment

The Holidays are a time to be enjoyed with special friends, business associates and family. At Theater-16 we specialize in matching our entertainment to your special needs. For over 30 years our unique family entertainment has brought smiles across the globe.

New ideas for a new century!

Good Will Wisher. What a wonderful way to revive the lost art of the holiday toast. Treat your friends to a visit from the Good Will Wisher; his collection of toasts and witty sayings are full of charm and holiday cheer. Special toasts can be printed on small scrolls and given as gifts to your guests.

Corporate or Private parties

The Dickens Magician. Available for strolling or stage performance, this member of Hollywood's Magic Castle is a real "Dickens" of a magician. His combination of magical skills and family-friendly storytelling will delight audiences of all ages. Complete with sound system for stage show.

Our acts are Self-Contained!

Walking Puppet Elf. The perfect way to meet and greet your holiday guests. Whether adding a little laughter to a busy shopping day at the mall, performing for children waiting to see Santa, or mixing with guests at a cocktail party, this is an act that is as much fun as opening an early Christmas present. Also available as a Good Will Wisher.

Indoors or Outdoors

Tarot Readings. The New Year is a time for reflecting on what has passed and questioning what the future will bring. Tarot cards offer a pictorial key to understanding basic situations in everyone's life. Whether strolling around the room, or seated in an intimate area, Erikk Dalu's reading will fascinate and entertain your guests.

We have other acts too!
